Education

Master's

- 2025-2026 Paris Cité University Pure mathematics Master's 2 (14.53/20)
Master's 2 Thesis:
Title: Khovanov homology and the Rasmussen invariant
Supervisor: Marco Golla
Grade: 17/20

- 2024-2025 Paris Cité University M1 Pure and applied mathematics Master's 1 (14.18/20)
Master's 1 Thesis:
Title: Introduction to C-algebras and application to discrete groups*
Supervisor: Georges Skandalis
Grade: 17/20

Bachelor's

- 2023-2024 Paris Cité University Pure and applied mathematics Bachelor's 3 (14.9/20)

- 2022-2023 Lycée Jules Ferry (Versailles, France)
PSI (Physics-Engineering) / Classe préparatoire aux grandes écoles

- 2021-2022 Lycée Lakanal (Sceaux, France)
MPSI (Mathematics-Physics-Engineering) / Classe préparatoire aux grandes écoles

High school

- 2016-2021 Saint Benoît French speaking bilingual highschool (Istanbul,Turkey)

Attented Summer Schools

Nesin Mathematics Village Summer Programs for Graduate and Undergraduate Students in Izmir,Turkey:

-August 2026 (1 week)

- July-August 2025 (3 weeks)
"First Steps in Complex Geometry" 1,2,3

- July 2024 (2 weeks)
"An Introduction to Geometric Topology"

"The Fundamental Theorem of Algebra"

- *July 2023 (2 weeks)*
"Introduction to Topology"
"Introduction to Functional Analysis"

- *July 2022 (1 week)*
"Group Theory"

Invited talks

- *ETHZ Geometry graduate colloquium : Khovanov Homology and the Rasmussen invariant (October 2026) Zurich, Switzerland*

-Graduate Maths Seminar at Istanbul Bilgi University (Zoom) "Introduction to C Algebras" (April 2025) Istanbul, Turkey*

Other participations

- *"Pisa PhD Event" at Pisa University and Scuola Normale Superiore (February 2026) Pisa, Italy*

- *"Maths C pour L" at Sorbonne University : meeting with female Bachelor students to share personal path to support girls in mathematics (June 2025) Paris, France*

Language Skills

Turkish (Native language)
French (C1)
English (B2)
Italian (B1)

Last update: October 2026
